

# Mauli Nagawade

8010560047 | maulinagawade5@gmail.com | [Linkin In](#) | [Git hub](#)

## EDUCATION

---

**JSPM's Bhivarabai Sawant Institute of Technology and Research, Pune, MH** Nov. 2022 – June 2026

*Bachelor of Engineering in Computer Science*

**Dr. Kadam Gurukul, Indapur, Pune**

Aug. 2020 – May 2022

*12th (CBSE)*

**S.B. Patil Public School, Indapur, Pune**

Mar. 2019 – Mar. 2020

*10th (SSC)*

## EXPERIENCE

---

**Data Science Intern, Novarites Tech System**

Jan. 2025 – June 2025

- Performed Exploratory Data Analysis on large datasets using Python and PowerBI.
- Developed Machine Learning models on real-time datasets.
- Studied technologies like Deep Learning, ANN, RNN, and performed text analysis.

## PROJECTS

---

**Customer Churn Analysis** | Python, Machine Learning, Data Science

Jan. 2025

- Developed a complete end-to-end data science project.
- Performed EDA using Python to visualize data.
- Used Logistic Regression for binary classification of customer churn.
- Achieved accuracy of 81%.

**Fraud News Detection** | Python, Kaggle data, Text Preprocessing, NLP, Git

Feb. 2025 – March 2025

- Developed a model to classify news as fraud or normal.
- Used advanced techniques in Natural Language Processing.
- Implemented deep learning models like ANN for data analysis.
- Achieved accuracy of 89%.

**HR Analytics Dashboard** | Power BI

Feb. 2025

- Used Power BI for data analysis.
- Applied DAX queries for data processing.
- Analyzed employee attrition trends.

## TECHNICAL SKILLS

---

Languages: Python, SQL (MySQL), JavaScript, HTML, CSS, PowerBI, Java, Advance Java, OOPs Concepts, J.D.B.C

Technologies: Data Visualization, PCA, Machine Learning (Supervised/Unsupervised), Statistics, Deep Learning, Artificial Neural Networks, CNN, RNN, Text Preprocessing, LSTM, Bidirectional LSTM, ReactJS.

Developer Tools: Git, Google Colab, VS Code, Visual Studio, PyCharm, Jupyter Notebook.

Libraries: pandas, NumPy, Matplotlib, TensorFlow, Scikit-learn, NLTK.

## CERTIFICATIONS

---

**Data Science:** [Certificate Link](#)

**Python for Data Science (NPTEL):** [Certificate Link](#)

**Internship (Novarites):** [Certificate Link](#)

**Data Analytics(Deloite):** [Certificate Link](#)

## EXTRA-CURRICULAR ACTIVITIES

---

- Classical Music Singer
- Training and Placement Coordinator
